

Bournemouth Borough Council and the Borough of Poole select Atos Healthcare for Occupational Health Services

2 February 2010

2 February 2010 - Atos Healthcare, the number one occupational health provider in the UK* and a business division of Atos Origin, today announced that it has signed a three-year contract with Bournemouth Borough Council and Borough of Poole.

Atos Healthcare will provide occupational health services for 11,700 employees across Bournemouth Borough Council and Borough of Poole**. Services include a range of on and off-site services that will include pre-employment, management referrals and health promotion.

Tracy Comper, Human Resources Manager, Borough of Poole, said, "Both Borough of Poole and Bournemouth Borough Council are committed to supporting the health and wellbeing of their employees and providing a supportive framework to reduce sickness absence. Both organisations look forward to working with Atos Healthcare to support us in identifying proactive approaches to managing absence".

"Local Government is an important market for us and I am delighted to add Bournemouth Borough Council and the Borough of Poole to our client list," said Gary Gear, General Manager for Occupational Health and Primary Care Services, Atos Healthcare. "We will work with the Council to play a key role in looking after the well being of all employees to minimise absenteeism and further boost productivity."
